

2014 Graduates

Heidi Shellenberger graduated from Rensselaer Polytechnic Institute (Troy, NY) with a B.S. in Aeronautical Engineering on 5/24/14. Her senior project was the preliminary design of a transsonic business jet. A recipient of the Rensselaer medal, Heidi was privileged to attend RPI on a 4 year scholarship. She attained Dean's List her first and last semesters. Heidi looks forward to a career in aeronautical engineering and is currently seeking employment in the industry.

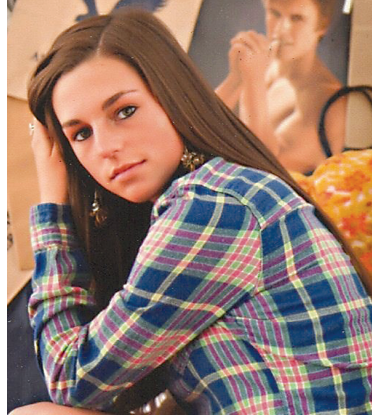

Drew Kreamer, during my time at Midd-West I was involved in Track and Field and the Technology Student Association for two years each, National Honor Society and Band for three years each, and I was elected Class President for all four years of my high school career. In the fall I will be attending Penn State University Park's College Of Engineering. I hope to be accepted into Penn State's Architectural Engineering program the following year. After college I hope to be hired into an engineering/design position.

Adam Zerby is a graduate from Midd-West High School. He is planning to attend the Pennsylvania College of Technology in the fall to study Electrical Technology. Adam is the son of Mr. and Mrs. Charles Zerby of Beaver Springs.
